

PS 50i

Holder/charger for car use with lightning connector

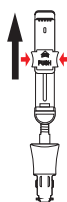

USB port (output: 5V / 2.5A)

Lightning connector

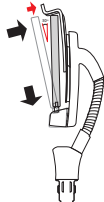

Easy in use:

STEP 1:

Slide the upper part up. Use the "Push" section or the 2 side buttons.

Tip:
Side buttons are reachable when phone is in place. Slide up for easy removal.

STEP 2:

Place the phone on the connector. Push it backwards till it touches the holder.

Red arrow:
Press there and lift up the phone to remove it.

STEP 3:

Slide the top back down until the phone is properly clamped. Now you can safely adjust and rotate the holder for your choice of view.
